PROXY STATEMENT

GENERAL INFORMATION ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Why am I receiving this proxy statement?

The Board of Directors of Carter’s, Inc. (“we,” “us,” “our,” “Carter’s,” or the “Company”) is soliciting proxies for the May 11, 2006 Annual Meeting of Stockholders (the “Annual Meeting”). The proxy statement and accompanying proxy card are being mailed to stockholders of record on or about April 7, 2006. You are receiving a proxy statement because you owned shares of Carter’s common stock on the record date and are therefore entitled to vote at the

Annual Meeting. By use of a proxy, you can vote regardless of whether or not you attend the Annual Meeting. The proxy statement describes the matters on which the Board of Directors would like you to vote and provides information on those matters so that you can make an informed decision.

What is the purpose of the Annual Meeting?

The purpose of the Annual Meeting is for our stockholders to address all business that may properly come before the Annual Meeting and to vote on the following matters: (1) the election of three Class III Directors; (2) the approval of an amendment to the Company's certificate of incorporation to increase the number of authorized shares of common stock from 40,000,000 to 150,000,000; and (3) the approval of an amendment to the Company's Amended and Restated Annual Incentive Compensation Plan (the "Plan") to increase the maximum performance-based award that can be granted under the Plan to any individual in any calendar year from \$3,000,000 to \$5,000,000.

Who is asking for my vote?

The Company is soliciting your proxy on behalf of the Board. The Company is paying for the costs of this solicitation and proxy statement.

Who can attend the Annual Meeting?

All stockholders of record at the close of business on March 17, 2006, or their duly appointed proxies, may attend the Annual Meeting. Each stockholder may be accompanied by one guest.

Registration for the meeting will begin at 8:30 a.m., and seating will begin at 8:45 a.m. Cameras, recording devices, and other electronic devices will not be permitted at the Annual Meeting.

What are my voting rights?

Each share of common stock is entitled to one vote on every matter submitted to stockholders at the Annual Meeting.

What is the record date for the 2006 Annual Meeting?

Holders of record of the Company's common stock at the close of business on March 17, 2006 will be entitled to vote at the Annual Meeting. On that date, 28,950,929 shares of common stock were issued and outstanding.

1

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer and Trust Company, you are considered the stockholder of record for these shares. As the stockholder of record, you have the right to grant your voting proxy directly to persons listed on your proxy card or vote in person at the meeting.

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held "in street name," and these proxy materials are being forwarded to you together with a voting instruction card. As a beneficial owner, you have the right to direct your broker, trustee, or nominee how to vote, and you are also invited to attend the Annual Meeting. Because you are a beneficial owner and not the stockholder of record, you may not vote your shares in person at the meeting unless you obtain a "legal proxy" from the broker, trustee, or nominee that holds your shares. Your broker, trustee, or nominee should have enclosed or provided directions for you to use to instruct the broker, trustee, or nominee to vote your shares.

Brokers holding shares of record for a beneficial owner have discretionary authority to vote on some matters if they do not receive timely instructions from the beneficial owner regarding how the beneficial owner wants the shares voted. There are also some matters with respect to which brokers do not have discretionary authority to vote if they do not receive timely instructions from the beneficial owner. When a broker does not have discretion to vote on a particular matter and the customer has not given timely instructions on how the broker should vote, a so-called "broker non-vote" results. Any broker non-vote would be counted as present at the meeting for purposes of determining a quorum, but would not be entitled to vote with respect to that matter. Brokers will have discretionary authority to vote on Proposal Number One and Proposal Number Two in the absence of timely instructions from the beneficial owners, but will not have discretionary authority to vote on Proposal Number Three.

What are my choices when voting on the Director nominees, and what vote is needed to elect Directors?

In voting on the election of Class III Directors (Proposal Number One), stockholders may:

1. vote for all nominees,
2. vote to withhold authority for all nominees, or
3. vote for all nominees, except specific nominees.

The three nominees for election as Class III Directors who receive the greatest number of votes will be elected as Class III Directors. Votes that are withheld will be counted toward a quorum, but will be excluded entirely from the tabulation of votes for each nominee, and, therefore, will not affect the outcome of the vote on this proposal.

What are my choices when voting on whether to approve the amendment to the Company's certificate of incorporation, and what vote is required to approve such amendment?

In voting on the approval of an amendment to our certificate of incorporation to increase the number of authorized shares of common stock from 40,000,000 to 150,000,000 (Proposal Number Two), stockholders may:

1. vote for the amendment,
2. vote against the amendment, or
3. abstain from voting on the amendment.

2

The approval of Proposal Number Two requires the affirmative vote of the holders of a majority of the shares of common stock entitled to vote on the proposal at the Annual Meeting. Votes to abstain will be counted toward a quorum, but will be excluded entirely from the tabulation of votes, and, therefore, will have the effect of votes “against” this proposal.

What are my choices when voting on whether to approve the amendment to the Company’s Amended and Restated Annual Incentive Compensation Plan, and what vote is required to approve such amendment?

In voting on the amendment to the Company’s Amended and Restated Annual Incentive Compensation Plan (the “Plan”) to increase the maximum performance-based award that can be granted under the Plan to any individual in any calendar year from \$3,000,000 to \$5,000,000 (Proposal Number Three), stockholders may:

1. vote for the amendment,
2. vote against the amendment, or
3. abstain from voting on the amendment

The approval of Proposal Number Three requires the affirmative vote of the holders of a majority of the shares of common stock present or represented at the meeting and entitled to vote on such proposal. Votes to abstain will be counted toward a quorum, but will be excluded entirely from the tabulation of votes and, therefore, will have the effect of votes “against” this proposal.

What constitutes a quorum?

A quorum is the minimum number of shares required to be present to transact business at the Annual Meeting. Pursuant to the Company’s by-laws, the presence at the Annual Meeting, in person, by proxy, or by remote communication, of the holders of at least a majority of the shares entitled to be voted will constitute a quorum. Broker non-votes will be counted as shares that are present at the meeting for purposes of determining a quorum. If a quorum should not be present, the meeting may be adjourned until a quorum is obtained.

How does the Board recommend that I vote?

Unless you give instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board recommends a vote:

FOR election of the nominees for Class III Directors (Proposal Number One - see pages 11-12);

FOR approval of the amendment to the certificate of incorporation to increase the number of authorized shares of common stock from 40,000,000 to 150,000,000 (Proposal Number Two - see pages 24-25); and

FOR approval of the amendment to the Company’s Amended and Restated Annual Incentive Compensation Plan (the “Plan”) to increase the maximum performance-based award that can be granted under the Plan to any individual in any calendar year from \$3,000,000 to \$5,000,000 (Proposal Number Three - see pages 26-29).

How do I vote?

If you are a stockholder of record, you may vote in one of four ways. First, you may vote by mail by signing, dating, and mailing your proxy card in the enclosed envelope. Second, you may vote in person at the Annual Meeting. Third, you may vote on the internet by completing the voting instruction form found

at www.proxyvote.com. You will need your proxy card when voting on the internet. Fourth, you may vote by telephone by using a touch-tone telephone and calling 1-800-690-6903.

If your shares are held in a brokerage account or by another nominee, these proxy materials are being forwarded to you together with a voting instruction card. Follow the instructions on the voting instruction card in order to vote your shares by proxy or in person.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before your proxy votes your shares by submitting written notice of revocation to Brendan M. Gibbons, Secretary of Carter’s, Inc., at the address set forth above, or by submitting another proxy card bearing a later date. Alternatively, if you have voted by telephone or through the Internet, you may change your vote by calling 1-800-690-6903 again and following the instructions, or by accessing the Company’s website and following the instructions. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy. If you hold your shares through a broker or other custodian and would like to change your voting instructions, please review the directions provided to you by that broker or custodian.

May I vote confidentially?

Yes. Our policy is to keep your individual votes confidential except as appropriate to meet legal requirements, to allow for the tabulation of votes and certification of votes, and to facilitate proxy solicitation.

Who will count the votes?

A representative of Automatic Data Processing, Inc. will count the votes and act as the inspector of election for the Annual Meeting.

What happens if additional matters are presented at the meeting?

As of the date of this proxy statement, the Board knows of no matters other than those set forth herein that will be presented for determination at the meeting. If, however, any other matters come before the meeting and call for a vote of stockholders, the Board intends proxies to be voted in accordance with the judgment of the proxy holders.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting and publish final results in the Company's quarterly report on Form 10-Q for the second quarter of fiscal 2006.

How may I obtain information about the Company?

A copy of our 2005 Annual Report accompanies this proxy statement. Stockholders may also request a free copy of our Annual Report on Form 10-K as filed with the Securities and Exchange Commission by visiting our website at www.carters.com or by sending a request in writing to our Vice President of Investor Relations at the address set forth below.

When are stockholder proposals due for consideration at next year's Annual Meeting?

Any proposals to be considered for inclusion in next year's proxy statement must be submitted in writing to Brendan M. Gibbons, Secretary of Carter's, Inc. at the address set forth above, prior to the close of business on December 8, 2006. There are additional requirements under our by-laws and the proxy

rules to present a proposal, such as continuing to own a minimum number of shares of our stock until next year's Annual Meeting and appearing in person at the Annual Meeting to explain your proposal. Stockholders who wish to make a proposal to be considered at next year's Annual Meeting, other than proposals to be considered for inclusion in next year's proxy statement, must notify the Company in the same manner specified above no earlier than January 11, 2007 and no later than February 10, 2007.

CORPORATE GOVERNANCE AND BOARD MATTERS

Carter's is committed to conducting its business with the highest level of integrity and maintaining the highest standards of corporate governance. Our Corporate Governance Principles and our Code of Business Ethics and Professional Conduct provide a structure within which our Board of Directors and management operate the Company and are essential parts of maintaining our reputation for integrity in the marketplace. Our Corporate Governance Principles and our Code of Ethics are available on our website at www.carters.com.

Director Independence

The Board of Directors currently consists of eight Directors. The Company's Corporate Governance Principles provide that a majority of the Company's Directors must be independent Directors. Applying the independence guidelines described below, the Board has determined that Messrs. Fulton, Pulver, Welch, and Whiddon and Ms. Smith have no material relationship with Carter's, Inc. The current Board has a majority of independent Directors and the Audit, Compensation, and Nominating and Corporate Governance Committees are each entirely comprised of independent Directors.

Director Independence Policy

The Board evaluates each non-employee Director annually to determine whether the Director has any material relationship with the Company (either directly or as a partner, stockholder, or officer of an organization that has a relationship with the Company). The Board considers all relevant information provided by each Director regarding the Director's business and other relationships with the Company and its affiliates. To assist in making these determinations, the Company has adopted the following guidelines:

A Director will not be considered independent if:

- the Director is, or within the last three years has been, employed by the Company; or an immediate family member of the Director is, or within the last three years has been, employed as an executive officer of the Company;
- the Director, or an immediate family member of the Director, has received, during any twelve-month period within the last three years, direct compensation from the Company exceeding \$100,000, other than Director or committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (a) the Director, or an immediate family member of the Director, is a current partner of a firm that is the Company's internal or independent registered public accounting firm; (b) the Director is a current employee of such a firm; (c) the Director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance, or tax compliance (but not tax planning) practice; or (d) the Director, or an

immediate family member of the Director, was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time;

- the Director, or an immediate family member of the Director, is, or within the last three years has been, employed by a company that has a director who is an officer of the Company;
- the Director, or an immediate family member of the Director, is, or within the last three years has been, employed as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee;
- the Director is a current employee, or has an immediate family member who is an executive officer, of another company that has made payments to, or receives payments from, the Company for

property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1.0 million, or 2% of such other company's consolidated gross revenues;

- the Company made contributions in excess of \$50,000 to a not-for-profit entity where a Director serves as an officer, director, or trustee, or as a member of that entity's fund raising organization or committee; or
- the Director is, or within the last three years has been, an executive officer of another company that is indebted to the Company, or to which the Company is indebted, and the total amount of either company's indebtedness to the other exceeds 1% of the total consolidated assets of the Company.

Board Meetings

Our Corporate Governance Principles require that we have at least four regularly scheduled Board meetings each year, and each Director is expected to attend each meeting. The Board met eight times during fiscal year 2005, including regularly scheduled and special meetings. Each Director participated in all of the Board's regularly scheduled meetings. The Company does not have a policy with regard to Director attendance at the Annual Meeting, but each Director has attended the Company's Annual Meetings in fiscal 2004 and fiscal 2005.

Board Committees

Our Board has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The Board may also establish other committees to assist in the discharge of its responsibilities.

Effective September 29, 2004, Carter's no longer qualified for the "controlled company" exemption provided by the New York Stock Exchange's ("NYSE") listing standards and was required to have entirely independent Compensation and Nominating and Corporate Governance Committees by September 28, 2005. Accordingly, effective September 28, 2005, Mr. Bradley M. Bloom stepped down from the Compensation Committee and Mr. Ross M. Jones stepped down from the Nominating and Corporate Governance Committee. Ms. Elizabeth Smith was appointed to serve on the Nominating and Corporate Governance Committee and Mr. John Welch was appointed to serve on the Compensation Committee and was appointed Chairman of the Nominating and Corporate Governance Committee.

The current members of each Board Committee and the number of Committee meetings held during the last fiscal year are described below.

The Board has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the charter is available on our website at www.carters.com.

Compensation of Directors

Each of our non-management Directors receives an annual retainer and meeting fees. In fiscal 2005, each Director received an annual retainer comprised of a \$20,000 cash payment and a grant of Carter's, Inc.'s common stock valued at \$60,000. Each Director also received \$2,500 for attendance at each regularly scheduled Board meeting and \$1,000 for attendance at every special Board meeting. In fiscal 2005, pursuant to these arrangements, Mr. Bloom received \$93,000, Mr. Fulton received \$93,000, Mr. Jones received \$94,000, Mr. Pulver received \$95,000, Ms. Smith received \$92,000, Mr. Welch received \$94,000, and Mr. Whiddon received \$94,000.

In addition to the Director fees described above, we pay \$1,000 to each member of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee for their participation in each of their respective Committee meetings. We pay an additional \$10,000 retainer to the Chairman of the Audit Committee and a \$5,000 retainer to the Chairman of the Compensation Committee and the Chairman of the Nominating and Corporate Governance Committee. Pursuant to these arrangements, we paid Directors the following amounts for their participation in their respective Committees in fiscal 2005:

| | Committee | | |
|--------------------|-----------|--------------|----------------------------------------|
| | Audit | Compensation | Nominating and Corporate Governance |
| Bradley M. Bloom | | \$ 3,000 | |
| Ross M. Jones | | \$ 1,000 | \$ 10,000 |
| Paul Fulton | \$ 8,000 | \$ 10,000 | |
| David Pulver | \$ 18,000 | | |
| Elizabeth A. Smith | | \$ 5,000 | \$ 1,000 |
| John R. Welch | | \$ 2,000 | \$ 7,250 |
| Thomas Whiddon | \$ 8,000 | | \$ 6,000 |

We also compensate our Directors through the issuance of restricted stock. New Directors receive an initial grant of restricted common stock valued at \$100,000 with a three-year cliff vesting provision.

We reimburse Directors for travel expenses incurred in connection with attending Board and Committee meetings and the Annual Meeting and for other expenses incurred in the conduct of the Company's business. We pay no additional remuneration to Mr. Rowan for serving as a Director. There are no family relationships among any of the Directors or executive officers.

Consideration of Director Nominees

The Nominating and Corporate Governance Committee regularly assesses the appropriate size of the Board of Directors. In the event that vacancies occur or are anticipated, the Committee will identify prospective nominees that come to its attention through current Board members, professional search firms, or stockholders who hold more than 1% of our common stock. The Board believes that it is appropriate to limit the group of stockholders who can propose nominees due to time constraints on the Nominating and Corporate Governance Committee. The Committee will consider persons recommended by stockholders who hold more than 1% of our common stock for inclusion as nominees for election to the Board if the names of such persons are submitted to Brendan M. Gibbons, the Secretary of Carter's, Inc., at the address set forth above in writing in accordance with our by-laws, including, mailing the submission in a timely manner and including the nominee's name, address, and qualifications for Board membership.

When evaluating a potential candidate for membership on the Board, the Committee considers the skills and characteristics that the Board requires of new Directors at the time the evaluation is made. This assessment includes an analysis of each candidate's judgment, experience, and an assessment of the perceived needs of the Board and its Committees at that point in time. In connection with this evaluation, the Committee will determine whether to interview prospective nominees, and if warranted, one or more members of the Committee, and others as appropriate, will interview prospective nominees in person or by telephone. Once this evaluation is completed, if warranted, the Committee recommends candidates to the Board for nomination, and the Board selects the nominees after considering the recommendation of the Committee.

Executive Sessions

Executive sessions of non-management Directors are held at regularly scheduled sessions at least four times a year. Any non-management Director can request that an additional executive session be scheduled. The Chairman of the Nominating and Corporate Governance Committee has been chosen to be the presiding Director at the executive sessions of non-management Directors.

Employment Arrangements

Frederick J. Rowan, II, Chairman of the Board of Directors and Chief Executive Officer, entered into a new employment agreement with us on August 29, 2005. The term of Mr. Rowan's employment agreement runs through fiscal 2009, subject to termination upon notice. Pursuant to this agreement, Mr. Rowan was granted 200,000 stock options (described in Note 1 on page 16) and is entitled to receive:

- a base salary of \$812,000 for fiscal 2005, subject to annual cost of living adjustments and any increases approved by the Board;
- annual cash bonuses under a bonus plan administered by the Compensation Committee based upon our achievement of targeted performance levels as defined in the incentive compensation plan;
- an integration bonus based upon the Company's achievement of pre-determined financial targets and non-financial measurements; and
- specified fringe benefits, including health and disability insurance, and life insurance or funds sufficient to provide life insurance of 250% of Mr. Rowan's base salary. The employment agreement leaves in place the separate supplemental retirement arrangement described below.

If we terminate Mr. Rowan's employment without cause or if Mr. Rowan terminates his employment for good reason, both as defined, Mr. Rowan will be entitled to the performance bonus he would have earned during the termination year under the Company's Amended and Restated Annual Incentive Plan, and will continue to receive his then-current salary and we will maintain fringe benefits on his behalf for three years following his termination. Mr. Rowan has agreed not to compete with us for the two-year period following the end of his employment with us, unless he is terminated without cause, in which case the duration of such period is one year.

Under separate agreements, we have agreed to provide Mr. Rowan with a supplemental executive retirement benefit according to a formula based on his final average annual salary during the highest 36 consecutive months of his last 60 months of employment, offset by both certain other retirement benefits and Social Security benefits to which he is entitled. This benefit, before offsets, is subject to an overall maximum amount. The maximum amount equals the after tax benefit that would be realized by Mr. Rowan if he were to receive a fully taxable benefit of \$385,000 payable under a 50% joint and survivor form of annuity. The plan's normal retirement date is the first day of the month following the month in which Mr. Rowan attains age 65. Assets supporting the obligations of this agreement are held in a dedicated irrevocable trust and are not our assets. The assets are comprised of insurance policies that have a cash

value. To the extent the assets of the trust became insufficient to meet our obligations to Mr. Rowan, we would be required to fund any shortfall. Mr. Rowan is also entitled to additional payments each year to defray the tax cost to him of the funded trust and of the additional payments.

Joseph Pacifico, Charles E. Whetzel, Jr., David A. Brown, and Michael D. Casey each entered into a revised employment agreement with us in August 2001. The employment agreement of each of these executives was for an initial two-year term, which automatically extends annually for successive one-year terms, subject to termination upon notice. Pursuant to such agreements, Messrs. Pacifico, Whetzel, Brown, and Casey are entitled to receive:

- a base salary, \$600,000, \$375,000, \$375,000, and \$375,000, respectively, for fiscal 2005, subject to annual cost of living adjustments and any increases approved by the Compensation Committee;
- annual cash bonuses under a bonus plan administered by the Compensation Committee based upon our achievement of targeted performance levels as defined in the incentive compensation plan; and
- specified fringe benefits.

If we terminate any of these executives' employment without cause, or if any terminates his employment for good reason, as defined, he will continue to receive his then-current salary and specified bonuses for two years following termination, and we will maintain fringe benefits on his behalf until the earlier of the end of the two-year period following termination or his 65th birthday. Each of these executives has agreed not to compete with us for a one-year period following the end of his employment with us, unless we terminate him without cause as defined, in which case the duration of such period is six months.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graphs by reference therein.

The Compensation Committee of the Board of Directors is responsible for administering the Company's executive compensation programs and establishing the salaries and other compensation of the Company's executive officers. The Compensation Committee consists of only directors appointed by the Board who satisfy the independence requirements of the New York Stock Exchange. The Compensation Committee Charter, approved by the Board, clearly articulates the duties and responsibilities of the Compensation Committee. The Compensation Committee's responsibilities include establishing the goals, reviewing the performance and setting the annual base, bonus and long-term compensation levels, and fringe benefits for the Chief Executive Officer and other executive officers. The Compensation Committee administers the Amended and Restated 2003 Equity Incentive Plan and approves all long-term incentive awards, including stock option and restricted stock grants, to the executive officers, including the Chief Executive Officer, and all other eligible employees. In addition, the Compensation Committee reviews the Company's general compensation policies and annually sets performance targets for the annual bonus plan. Finally, the Compensation Committee reviews the Company's management development and succession planning. The Compensation Committee has the authority to retain a consulting firm or expert to assist in the assessment of the compensation of the Chief Executive Officer and other executive officers. The Compensation Committee may also retain its own legal, accounting or other expert it deems necessary to carry out its duties.

Compensation Philosophy

The Company is committed to achieving long-term, sustainable growth and increasing stockholder value. The Company's compensation programs for executive officers are designed to maintain these commitments and encourage strong financial performance on an annual and longer-term basis by tying a significant portion of total compensation to Company performance in the form of incentive compensation. The principal elements of the compensation structure for the Chief Executive Officer and other executive officers are base salary, performance bonus awards, certain fringe benefits, and long-term compensation consisting primarily of stock options.

In order to maintain the effectiveness of our current executive compensation structure, the Compensation Committee annually reviews the reasonableness of executive compensation levels using public information about comparable companies within our industry, taking into account individual performance as well as the Company's growth and profitability. In making such determinations, the Compensation Committee reviews the nature and scope of each executive officer's responsibilities as well as his or her effectiveness in supporting our long-term goals. The Compensation Committee attempts to set levels of salary, bonus, and other compensation at levels that will attract, motivate, and retain superior executive talent in a highly competitive environment. The annual base compensation of the Company's executive officers, including the Chief Executive Officer, is targeted at the fiftieth percentile of comparable high-performing companies, and total compensation is targeted in the top quartile if superior performance is achieved. The Compensation Committee has retained The HayGroup, a compensation consulting firm, to advise it on compensation matters.

Annual Base Compensation

The Compensation Committee annually reviews and establishes the base salaries of executive officers, including the Chief Executive Officer. In determining the appropriate level of base compensation, the Compensation Committee considers various factors such as the executive's employment agreement with

Annual Performance Bonuses

Annual performance bonuses are designed to motivate employees to continuously improve Company performance by aligning a portion of their compensation with the Company's annual performance and to reward employees for helping the Company attain key business and financial goals. The annual performance bonus for executive officers consists of a cash bonus payment based upon both the Company's growth and profitability and individual executive performance. In accordance with the Company's Amended and Restated Annual Incentive Compensation Plan, the Compensation Committee approves earnings per share ("EPS") targets for the Company and sets bonus targets for each of the named executive officers. The Compensation Committee approves annual bonuses for all eligible employees, including the executive officers, based on whether the Company achieved its pre-approved financial targets and whether any other pre-established performance criteria that may be set by the Compensation Committee were achieved. Pursuant to our Amended and Restated Annual Incentive Compensation Plan, the Compensation Committee may revise the established performance criteria and establish new performance criteria.

For 2005, target bonus awards for executive officers, including the Chief Executive Officer, were set as a percentage of their base salaries. The Compensation Committee has reserved the ability to reduce any award or eliminate any award based on the Company's overall financial performance, as well as individual performance. The bonuses paid to the Company's executive officers for the past three years along with their base salaries earned and grants of stock options and restricted stock are shown in the "Summary Compensation Table" (see page 15).

Long-Term Compensation

In order to ensure that the interests of management are aligned with maximizing stockholder value, the Company provides and maintains a long-term equity incentive program that the Compensation Committee administers.

The Compensation Committee has the authority to grant equity awards under the Company's Amended and Restated 2003 Equity Incentive Plan. Under the plan, the Compensation Committee may award incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, unrestricted stock, stock deliverable on a deferred basis, performance-based stock awards, and cash payments intended to defray the cost of awards. Participation in the plan is limited to directors and key employees whom are recommended by management and approved by the Compensation Committee. Under the plan, the maximum number of shares for which awards may be granted to any participant in any year, and the maximum number of shares deliverable to any participant through other awards for any year, is in each case limited to 1,000,000 shares per participant. The limit on shares available under the plan, the individual limits, and other award terms are subject to adjustment to reflect stock splits or stock dividends, combinations, and certain other events. The plan also includes provisions concerning the treatment of awards upon the termination of service of an individual employee, and in the case of a merger or similar corporate transaction by the Company.

Three types of stock options are currently outstanding under the plan: basic stock options, performance stock options, and rollover stock options. Basic stock options vest ratably over a four-year or five-year period, depending on when such options were granted, but immediately vest upon a change in control, as defined. Performance stock options vest upon the achievement of certain pre-determined performance targets. Rollover stock options are fully vested stock options that were issued prior to August 15, 2001. There are 2,422,064 basic, 300,000 performance, 854,135 rollover stock options, and

67,135 restricted shares of Carter's, Inc.'s common stock outstanding under the plan, and total ungranted shares available for grant of 1,244,628 as of December 31, 2005.

Compensation of Chief Executive Officer

During fiscal 2005, the Company's Chief Executive Officer, Frederick J. Rowan, II, received an annual base salary of \$812,000, which represents a 2% increase over the annual base salary paid to him during fiscal 2004. Mr. Rowan also participated in the annual incentive bonus program discussed above pursuant to which he received \$2,436,000 (compared to \$2.1 million in fiscal 2004) primarily based upon the Company's achievement of EPS targets sufficiently in excess of its target, and execution of short and long-term strategic goals and leadership objectives. Additionally, Mr. Rowan received \$500,000 of a \$2.5 million performance-based bonus related to the integration of OshKosh B'Gosh, Inc., which was acquired by the Company on July 14, 2005. The remainder of the integration bonus can be earned based upon the achievement of predetermined financial and other goals from fiscal 2005 through the end of fiscal 2007. Mr. Rowan also received specified fringe benefits, including a defined Supplemental Executive Retirement Plan, health and disability insurance, life insurance sufficient to cover 250% of his base salary, and an automobile allowance. Such other compensation totaled approximately \$282,117 in fiscal 2005.

During the second quarter of fiscal 2005, the Company's Board of Directors approved the grant of 200,000 options to purchase Carter's, Inc.'s common stock to Mr. Rowan in accordance with the Company's Amended and Restated 2003 Equity Incentive Plan. Vesting of these stock options is contingent upon meeting specific performance targets through fiscal 2008. If such performance targets are not achieved, not all of the stock options will vest. Currently, management believes that these performance targets will be achieved.

Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility of executive compensation paid by a publicly-held company to \$1,000,000 per individual employee per year. This limitation generally does not apply to performance-based compensation under a plan that is approved by the stockholders of a company that also meets certain other technical requirements. The Compensation Committee intends to utilize performance-based compensation programs that meet the deductibility requirements under Section 162(m). However, the Compensation Committee also realizes that in order to attract and retain individuals with superior talent, the possibility exists that individual exceptions may occur.

PROPOSAL NUMBER TWO

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 40,000,000 TO 150,000,000

The Board proposes to amend Article V of the Company's certificate of incorporation, which sets forth the number of shares of stock that the Company is presently authorized to issue. The proposed amendment would increase the number of authorized shares of the Company's common stock (the "Common Stock") from 40,000,000 to 150,000,000. The proposed amendment to the certificate of incorporation will not affect the number of authorized shares of the Company's preferred stock.

If approved by stockholders, the first paragraph of Article V of the certificate of incorporation would be amended to read as follows:

"The total number of shares of all classes of stock that this corporation shall have authority to issue is 150,100,000 shares, consisting of (i) 150,000,000 shares of Common Stock, \$.01 par value per share ("Common Stock"), and (ii) 100,000 shares of Preferred Stock, \$.01 par value per share ("Preferred Stock")."

The Board has concluded that it would be desirable for the Common Stock to be split on a two-for-one basis through a stock dividend entitling each stockholder of record to receive one additional share of Common Stock for every one share owned, and on March 1, 2006, the Company publicly announced its then-current intention to declare this dividend. The Board believes a stock split will broaden the market for and widen the distribution of the Common Stock, both of which are regarded by the Board as being in the best interests of the Company and its stockholders.

To accomplish the stock split, the Company must increase the number of shares of Common Stock authorized for issuance so that there are sufficient shares for the proposed stock dividend. Stockholder approval is required for any increase in the number of shares of Common Stock authorized for issuance, but is not required by law or the terms of the certificate of incorporation or By-laws to pay the proposed stock dividend.

Accordingly, the Board has proposed that the certificate of incorporation be amended so as to increase the number of shares of authorized Common Stock from 40,000,000 to 150,000,000. If the stockholders approve this amendment, it will become effective upon the filing of a Certificate of Amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware.

If stockholders approve the amendment, the Board presently expects, subject to then-current market conditions, to vote to declare the stock dividend following the Company's Annual Meeting. The Board, however, may determine not to declare the stock dividend.

On March 17, 2006, there were 40,000,000 shares of Common Stock authorized, of which 28,950,929 were issued and outstanding. After giving effect to the proposed amendment to the certificate of incorporation, the number of authorized shares of Common Stock would increase to 150,000,000, and, upon the payment of the proposed stock dividend, the number of shares of Common Stock issued and outstanding would double.

The additional shares of Common Stock will also provide the Company with flexibility to issue its Common Stock in connection with future actions (in addition to the proposed stock dividend), such as future dividends, financings, corporate mergers and acquisitions, use in employee benefit plans or other corporate transactions. The additional shares of Common Stock may be issued in the future without further stockholder approval, except as required in particular cases by the certificate of incorporation, applicable laws or rules of any stock exchange. As of the date of this proxy statement, the Company has no specific plans, arrangements or understandings with respect to the sale or issuance of these additional shares of Common Stock other than the proposed stock dividend.

24

In addition to the more traditional uses described above, the Company could issue the additional shares of Common Stock as a defense against efforts to obtain control of the Company. For example, the additional shares of Common Stock could be issued to dilute the stock ownership of a person attempting to acquire control of the Company. This proposal has not, however, been made for an anti-takeover-related purpose, and the Board has no current knowledge of any current efforts to effect a change in control of the Company.

The Board recommends a vote FOR the approval of an amendment to the certificate of incorporation to increase the number of authorized shares of Common Stock from 40,000,000 to 150,000,000.

Vote Required

The approval of Proposal Number Two requires the affirmative vote of the holders of a majority of the shares of common stock entitled to be voted at the Annual Meeting. Votes may be cast in favor or against Proposal Number Two. Stockholders may also abstain from voting on Proposal Number Two. Votes to abstain will be counted toward a quorum, but will be excluded entirely from the tabulation of votes, and, therefore, will have the effect of votes “against” this proposal. Proxies that are granted without providing voting instructions will be voted for approval of Proposal Number Two.

PROPOSAL NUMBER THREE

APPROVAL OF AN AMENDMENT TO THE COMPANY’S AMENDED AND RESTATED ANNUAL INCENTIVE COMPENSATION PLAN TO INCREASE THE MAXIMUM PERFORMANCE-BASED AWARD THAT CAN BE GRANTED UNDER THE PLAN TO ANY INDIVIDUAL IN ANY CALENDAR YEAR FROM \$3,000,000 TO \$5,000,000

The Board recommends that stockholders approve the amendment to the Company’s Amended and Restated Annual Incentive Compensation Plan (the “Plan”) to increase the maximum performance-based award that can be granted under the Plan to any individual in any calendar year from \$3,000,000 to \$5,000,000.

If approved by stockholders, Section 12 of the Plan would be amended to read as follows:

“Except as hereinafter provided and notwithstanding any other provision of the Plan, this Section 12 applies to any award intended to qualify as performance-based for the purposes of Section 162(m) of the Code. In the case of any award to which this Section 12 applies, the Plan and such award will be construed to the maximum extent permitted by law in a manner consistent with qualifying the award for such exception. In the case of any award to which this Section 12 applies, the term “Committee” shall mean a committee of the Board, consisting of two or more Directors, all of whom shall be “outside directors” within the meaning of Section 162(m) of the Code. With respect to such awards, the Committee will preestablish, in writing, one or more specific Performance Criteria no later than 90 days after the commencement of the period of service to which the performance relates (or at such earlier time as is required to qualify the award as performance-based under Section 162(m) of the Code). The Performance Criteria so established shall serve as a condition to the grant, vesting or payment of the award, as determined by the Committee. Prior to grant, vesting or payment of the award, as the case may be, the Committee will certify whether the Performance Criteria have been attained and such determination will be final and conclusive. If the Performance Criteria with respect to the award are not attained, no other award will be provided in substitution of the award. The maximum benefit that may be paid to any person under any awards to which this Section 12 applies in any calendar year will be \$5,000,000. The provisions of this Section 12 shall not apply to any award to which the provisions of Treas. Regs. § 1.162-27(f) apply if made during the period to which such provisions apply, as determined by the Committee in its sole discretion.”

The Board recommends that stockholders approve the amendment to the Plan to help ensure that future awards granted under the Plan will qualify for exceptions to the deductibility limits under Section 162(m) of the Internal Revenue Code of 1986. Section 162(m) limits the deductibility of executive compensation paid by a publicly held company to its Chief Executive Officer and its four other most highly compensated officers to \$1,000,000 per individual per calendar year. This limitation generally does not apply to performance-based compensation under a plan that is approved by stockholders and that meets certain other technical requirements.

The following description summarizes the material features of the Plan but may not contain all of the information you may wish to know. We encourage you to review the entire text of the Plan, which is attached hereto as Appendix A. The Plan is not required to be qualified under Section 401 of the Internal Revenue Code of 1986 nor is it subject to the provisions of the Employee Retirement Income Security Act of 1974.

Summary of the Amended and Restated Annual Incentive Compensation Plan

Purpose. The Plan provides a means of paying incentive compensation to those employees (including those who also serve as officers or directors) in managerial and other important positions whose ability, ingenuity, and industry experience contribute materially to our success. Pursuant to the Plan, the

26

Compensation Committee establishes performance criteria and grants awards providing for the payment of incentive compensation upon the achievement of such performance criteria.

Participation. Prior to the beginning of each fiscal year, the Compensation Committee shall designate which employees may participate in the Plan for that year. The committee may also designate additional employees, who are hired or promoted during the course of each fiscal year, or who otherwise became eligible (as determined by the Compensation Committee) during the course of the fiscal year, as eligible to participate in the Plan. Approximately 150 people currently participate in the Plan.

Effective Date. The Plan was originally adopted on February 10, 1989. The amendment and restatement of the Plan became effective with respect to the fiscal year beginning December 29, 2002 and subsequent fiscal years.

Administration. The Plan is administered by, or under the direction of, the Compensation Committee. The committee has the exclusive right to interpret and construe the provisions of the Plan.

Section 162(m) Limits and Requirements. With respect to any award intended to qualify as performance-based for the purposes of Section 162(m) of the Internal Revenue Code of 1986, the committee will exercise its discretion consistent with qualifying such award as performance-based within the meaning of Section 162(m). With respect to such awards, the committee pre-establishes one or more specific performance criteria no later than 90 days after the start of the period of performance (or at such earlier time as is required to qualify the award as performance-based under Section 162(m)). The performance criteria serve as a condition to the grant, vesting, or payment of the award, as determined by the committee. The performance criteria pre-established by the committee will be an objectively determinable measure of performance relating to any or any combination of the following (determined either on a consolidated basis or, as the context permits, on a divisional, subsidiary, line of business, project or geographical basis, or in combinations thereof): sales; revenues; assets; expenses; earnings before or after deduction for all or any portion of interest, taxes, depreciation, or amortization, whether or not on a continuing operations or an aggregate or per share basis; return on equity, investment, capital or assets; one or more operating ratios; borrowing levels, leverage ratios or credit rating; market share; capital expenditures; cash flow; stock price; stockholder return; sales of particular products or services; customer acquisition or retention; acquisitions and divestitures (in whole or in part); joint ventures and strategic alliances; spin-offs, split-ups and the like; reorganizations; or recapitalizations, restructurings, financings (issuance of debt or equity), or refinancings. A performance criterion measure determined by the committee need not be based upon an increase, a positive or improved result, or avoidance of loss. Prior to grant, vesting, or payment of the award, as the case may be, the committee determines whether the performance criteria have been attained and such determination is conclusive. If the performance criteria are not attained, no other award is provided in substitution of the award. The maximum benefit that may be paid to any person under any awards intended to qualify as performance-based under Section 162(m) in any calendar year is \$5,000,000. Determinations of the committee are conclusive and bind all parties.

Incentive Compensation Awards. On or before the close of the first quarter of each fiscal year, the Compensation Committee pre-establishes performance criteria that it deems appropriate for determining the aggregate amount of incentive compensation which may be allowed to each of the participants for performance during the forthcoming year. Generally, if the committee becomes aware of additional facts after the performance criteria are established that would render the application of any or all of the established performance criteria inappropriate, the committee may revise, replace, or waive the performance criteria. However, with respect to any award made under the Plan that is intended to qualify for the performance-based compensation exception under Section 162(m), as indicated above, the performance criteria pre-established by the committee shall serve as a condition to the grant, vesting, or payment of the award. If such performance criteria are attained with respect to an award intended to satisfy the performance-based compensation exception under Section 162(m), the committee may retain

the discretion to reduce, but not to increase, the amount of the bonus payment actually paid to the award recipient to reflect those individual performance and Company performance considerations that the committee in its sole discretion deems appropriate.

We are not required to segregate any of our assets for the reserve account and the amount is available for our general corporate purposes. No participant or beneficiary of any participant may assert any right or claim under the Plan against any of our specific assets or our subsidiaries or against the reserve account.

Allocation of Incentive Compensation Awards to Individuals. As soon as practicable after the end of each fiscal year but in any event before March 1, the Compensation Committee determines the aggregate amount to be allocated to each participant under the Plan for the preceding year. In general, each determination takes into account the performance criteria and the recommendation of our Chief Executive Officer. With respect to any award intended to qualify under the performance-based compensation exception under section 162(m), the committee will certify whether the performance criteria have been attained, and if the performance criteria have not been attained, no payment will be made under the Plan award and no other award will be made in substitution for the Plan award.

Amendment. The Compensation Committee may, from time to time amend, modify, change, or terminate in whole or in part any or all of the provisions of the Plan. No such amendment, modification, or change shall reduce the amount then credited to the account of any participant in the reserve account. If the Plan is terminated and superseded by a new incentive compensation plan having substantially similar provisions, the accounts of participants in the reserve account, may, at the discretion of the committee, be continued in an incentive compensation reserve under such new plan. If the Plan is terminated and the committee chooses not to continue the accounts of participants in an incentive compensation reserve under a new plan, all amounts credited under the Plan will be distributed to the participants or their beneficiaries as soon as practicable, but in no event later than the 30th day following the date of termination of the Plan.

Amended and Restated Annual Incentive Compensation Plan Benefits. The future benefits or amounts that would be received under the Amended and Restated Annual Incentive Compensation Plan by executive officers, non-executive directors, and non-executive officer employees are discretionary and are therefore not determinable at this time. The following table sets forth awards made in 2005 under the Amended and Restated Annual Incentive Compensation Plan to the executive officers listed in the Summary Compensation Table, to all executive officers as a group, to all non-executive directors and to all employees as a group:

Vote Required

The approval of Proposal Number Three requires the affirmative vote of the holders of a majority of the shares of common stock present or represented at the meeting and entitled to vote on such proposal. Votes to abstain will be counted toward a quorum, but will be excluded entirely from the tabulation of votes and, therefore, will have the effect of votes "against" this proposal.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In January 2000, we issued a loan to Frederick J. Rowan, II, our Chairman and Chief Executive Officer, in the amount of \$4.3 million, the proceeds of which were used by Mr. Rowan to repay a previous loan from us in the amount of \$1.5 million. In connection with the 2001 Acquisition, we amended the terms of this loan. Neither the original loan or the amended loan was issued in connection with the purchase of Carter's, Inc.'s common stock. As amended, the \$4.3 million loan was payable in annual installments of \$600,000 commencing on March 31, 2003, and thereafter on each anniversary thereof until such principal amount and all accrued and unpaid interest thereon has been repaid (interest was payable at the average rate payable by us under the revolving term loan). In August 2005, Mr. Rowan repaid the entire outstanding balance of \$2.4 million.

Our stockholders agreement provides investment funds affiliated with Berkshire Partners the right to require us to file registration statements covering the public offering of our common stock owned by them at any time and provides the other stockholders party to that agreement with the right to include a portion of their shares in a public offering being registered by the Company.

During the second quarter of fiscal 2005, we issued 9,177 shares of our common stock to our non-management directors. The fair market value of our common stock at the time of issuance was \$45.75. Accordingly, we recognized \$420,000 in compensation expense in fiscal 2005. We received no proceeds from the issuance of these shares.

One of our Directors, Paul Fulton, is a member of the Board of Directors of Bank of America Corporation. Bank of America is the administrative agent and a party to our senior credit facility dated July 14, 2005.

In September 2005 and October 2005, we signed agreements with Gordon Brothers Retail Partners, LLC (“Gordon Brothers”) and DJM Asset Management, LLC (“DJM”), respectively. Berkshire Partners LLC owns an equity interest in Gordon Brothers and DJM. We entered into these arrangements to have Gordon Brothers act as our agent and sell approximately \$7 million of OshKosh B’Gosh excess inventory through certain stores and to hire DJM to assist us in exiting our lease obligations in 24 OshKosh B’Gosh retail stores.

Gordon Brothers retained all store sale proceeds during the disposal period and was responsible for all operating expenses. We received \$375,000 from Gordon Brothers as part of this arrangement.

In consideration for their services assisting the Company exit certain lease obligations, DJM will receive one month’s occupancy cost (including base rent, percentage rent, common area maintenance charges, real estate taxes, insurance and any other normal recurring charges payable to or on behalf of the landlord of the lease) when the Company receives assignment, termination, sublease or other disposition of agreement. In addition the Company will pay DJM a success fee, not to exceed \$300,000, in the event they meet certain other criteria.

On May 10, 2005, we entered into a letter agreement (the “Engagement Letter”) with Berkshire Partners, LLC. Pursuant to the terms of the Engagement Letter, Berkshire Partners served as our financial advisor in connection with the acquisition of OshKosh B’Gosh, Inc. (the “Acquisition”). We paid Berkshire Partners a transaction fee of \$1,500,000 in connection with the Acquisition. Bradley M. Bloom and Ross M. Jones are Directors and are also Managing Directors of Berkshire Partners, LLC.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Exchange Act of 1933 or the Securities Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee (the “Committee”) is currently composed of three independent directors in compliance with New York Stock Exchange listing standards and operates pursuant to a written charter adopted by the Board of Directors. The Committee reviews its charter at least annually. The Committee is responsible for overseeing the quality and integrity of the Company’s financial reporting, internal controls, and audit functions. The Committee also appoints and oversees the Company’s Independent Registered Public Accounting Firm, PricewaterhouseCoopers LLP (“PwC”), and in doing so, reviews the independence, qualifications, and performance of PwC. The Board of Directors has determined that all of the Committee’s members qualify as “audit committee financial experts,” as defined by the Securities and Exchange Commission (“SEC”).

The Company’s management has primary responsibility for the preparation, presentation, and integrity of the Company’s financial statements; complying with accounting and financial reporting principles; establishing, maintaining, and evaluating the effectiveness of the Company’s disclosure controls and procedures; and establishing, maintaining, and evaluating the effectiveness of the Company’s internal controls over financial reporting. PwC is responsible for performing an audit of the Company’s consolidated financial statements, expressing an opinion on the conformity of such financial statements in accordance with accounting principles generally accepted in the United States of America, and expressing opinions on management’s assessment of the effectiveness of internal control over financial reporting and on the effectiveness of internal control over financial reporting.

The Committee met eight times during fiscal 2005 to discuss, among other things, the objectivity of the Company’s financial results, the adequacy of internal controls over financial reporting, and other requirements of the Sarbanes-Oxley Act of 2002. The Committee met with the Company’s Chief Financial Officer, Vice Presidents of Finance, Vice President of Corporate Compliance, and PwC prior to the public release of the Company’s quarterly and annual earnings releases in order to discuss the financial information contained in the announcements. During fiscal 2005, management advised the Committee that each set of financial statements it reviewed had been prepared in accordance with generally accepted accounting principles in the United States of America, and management reviewed significant accounting policies and disclosure items with the Committee. The Committee also met privately on a number of occasions with PwC and the Company’s internal auditors, management and general counsel, each of whom has unrestricted access to the Committee. PwC reviewed with the Committee its Report of Independent Registered Public Accounting Firm relating to its audit of (i) the consolidated financial statements, (ii) management’s assessment of the effectiveness of internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting.

The Committee obtained from PwC, formal written letters describing all relationships between PwC and the Company that might bear on PwC’s independence, consistent with Independence Standards Board Statement No. 1, “Independence Discussions with Audit Committees,” as amended. The Committee also discussed with PwC any relationships that may affect their objectivity and independence. After such discussion and review, the Committee concluded that PwC is independent from the Company and management and that their provision of non-audit services was compatible with their independence requirements.

The Committee discussed and reviewed with PwC communications required by generally accepted auditing standards, as described in the Codification of Statements on Auditing Standards No. 61, as amended, “Communication with Audit Committees,” Public Company Accounting Oversight Board

Auditing Standard No. 2, “An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements,” Statements on Auditing Standards No. 99, “Consideration of Fraud in a Financial Statement Audit,” and SEC rules discussed in Final Releases Nos. 33-8183 and 33-8183a. Additionally, with and without management present, the Committee discussed and reviewed the results of PwC’s examination of the consolidated financial statements.

Based on these reviews and discussions with management and PwC, the Committee recommends to the Board of Directors that the Company’s audited consolidated financial statements be included in its annual report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

APPENDIX A CARTER'S, INC. AMENDED AND RESTATED ANNUAL INCENTIVE COMPENSATION PLAN

Section 1—Purpose of the Plan

The purpose of the Plan is to provide a means of paying incentive compensation to those Employees (including Employees who may also be officers and directors) in managerial and other important positions who contribute materially to the success of the business of the Company by their ability, ingenuity and industry and to reward such contributions by permitting such Employees to share in the results of such success. To accomplish these objectives the Plan provides for the Committee to grant awards providing for the payment of incentive compensation upon the achievement of certain Performance Criteria, and to establish, in good faith, such Performance Criteria. After such Performance Criteria are so fixed an Incentive Compensation Reserve is to be established. Such reserve shall be credited monthly with the total amount of incentive compensation based upon the Performance Criteria established by the Committee and all payments of incentive compensation which may be made to such Employees in satisfaction of awards granted hereunder shall be made from such reserve.

circumstances or changes in accounting principles which would render application of any or all of the established Performance Criteria inappropriate to the accomplishment of the purposes of the Plan, the Committee may revise the established Performance Criteria, establish new Performance Criteria or waive the applicability of some or all of the Performance Criteria, as the Committee, in its sole discretion, sees fit.

- 4.2 The aggregate amount of incentive compensation to be credited to the Incentive Compensation Reserve for each year shall be the sum of total amounts attainable by Participants as awards under Plan Performance Criteria established by the Committee pursuant to Section 4.1.

Section 5—Allocation of Incentive Compensation Awards to Individuals

- 5.1 As soon as practicable after the end of each fiscal year but in any event before March 1, the Committee shall in good faith determine in its sole discretion the aggregate amount to be allocated to each Participant under the Plan for the preceding year. Each such determination shall take into account the Performance Criteria established pursuant to Section 4.1 and the recommendation of the chief executive officer of the Company. In the event that part or all of the aggregate amount of incentive compensation credited to the Incentive Compensation Reserve is not allocated to individual Participants' accounts, such unallocated amounts shall be released from the Incentive Compensation Reserve and shall become part of the general funds of the Company.

Section 6—Payment of Incentive Compensation

- 6.1 The total amount allocated and credited to an individual Participant's account pursuant to Section 5.1 shall be known as the Participant's "Incentive Share". A Participant's Incentive Share shall be paid to the Participant in cash as soon as practicable after the Committee's actions pursuant to Section 5.1, but in no event later than March 15 (or, if later, within 15 days following the issuance of the Company's audited financial statements) of the year following the year in respect of which such allocation is made.
- 6.2 If the employment of a Participant is terminated by the Company (or any of its Subsidiaries) or the Participant for any reason, the amount of the incentive compensation, if any, which may be awarded to such Participant for the year of termination will be determined by the Committee in its sole discretion and the Committee may or may not take into account the Performance Criteria established pursuant to Section 4.1.
- 6.3 If an individual is employed during the year and is designated as a Participant for the remainder of the year, such Participant shall be entitled to the amount of incentive compensation, if any, which the Committee in its sole discretion may determine; provided that in no event shall any Participant's Incentive Share be reduced in connection with the adding of additional Participants during any year.

Section 7—Incentive Compensation Reserve

- 7.1 The Company shall establish on its books an account known as the Incentive Compensation Reserve to which there shall be credited for each year the amounts of incentive compensation payable to Participants. The Company shall not be required to segregate any of its assets for the Incentive Compensation Reserve and the amount shall be available for the general corporate purposes of the Company. No Participant or beneficiary of any Participant may assert any right or claim under the Plan against any specific assets of the Company or its Subsidiaries or the Incentive Compensation Reserve as such.

A-3

-
- 7.2 Subject to Section 7.1, amounts credited to a Participant's account in the Incentive Compensation Reserve shall be paid to the Participant in cash as soon as practicable, but in no event later than March 15 (or, if later, within 15 days following the issuance of the Company's audited financial statement) of the year following the year in respect of which such credit is made.
- 7.3 A Participant shall have the right to designate one or more beneficiaries to receive any amounts payable to such Participant under the Plan in the event of such Participant's death. Such designations shall be in writing, signed by the Participant and filed with the Secretary of the Company on a form acceptable to the Company. Any such designation may be changed or revoked by the Participant at any time prior to death by written notice filed with the Secretary of the Company. If no designated beneficiary survives the Participant or if the Participant fails to designate a beneficiary, payments hereunder shall be made to the estate of the Participant. If a beneficiary survives a Participant but dies prior to receiving all amounts payable from Participant's account, payments hereunder shall be made to the estate of such beneficiary.

Section 8—Amendment

- 8.1 The Committee may from time to time amend, modify, change or terminate in whole or in part any or all of the provisions of the Plan. No such amendment, modification or change shall have the effect of reducing the amount then credited to the account of any Participant in the Incentive Compensation Reserve. If the Plan is terminated and superseded by a new incentive compensation plan having substantially similar provisions, the accounts of Participants in the Incentive Compensation Reserve, may, at the discretion of the Committee, be continued in an incentive compensation reserve under such new plan; in such event, all amounts credited under the Plan shall be distributed at such times and in such manner as if the Plan had remained in effect, provided however, that the Committee may, in its discretion, direct that such distributions be made at any earlier date. If the Plan is terminated and the Committee does not elect to continue the accounts of Participants in an incentive compensation reserve under a new incentive compensation plan, all amounts credited under the Plan shall be distributed to the Participants or their beneficiaries as soon as practicable, but in no event later than the 30th day following the date of termination of the Plan.

Section 9—Effective Date

- 9.1 The Plan was originally adopted on February 10, 1989. This amendment and restatement of the Plan shall be effective with respect to the fiscal year beginning December 29, 2002, and subsequent fiscal years.

Section 10—Miscellaneous

- 10.1 No payment under the Plan shall be subject to anticipation, alienation, transfer or assignment and any attempt to anticipate, alienate, transfer or assign the same shall be void.
- 10.2 The Plan shall not constitute an exclusive method of providing incentive or other additional compensation to Employees, nor shall it impair or limit the right of the Company to fix and to change from time to time the basic compensation payable to any Employee.
- 10.3 Participation in the Plan shall not confer upon the Participant any right to continue in the employ of the Company or any Subsidiary, or affect the right of the Company or any Subsidiary to terminate the employment of the Participant with or without Cause.

Section 11—Administration

- 11.1 The Plan shall be administered by, or under the direction of, the Committee. The Committee shall have the exclusive right to interpret and construe the provisions of the Plan and any construction or interpretation adopted by the Committee shall be conclusive and binding on the Participants and their beneficiaries. With respect to an award to which Section 12 applies, the Committee will exercise its discretion consistent with qualifying such award as performance-based within the meaning of Section 162(m) of the Code.
- 11.2 Any determination of EBITDA, net income or other financial results which may serve as Performance Criteria for the determination of awards and any determinations regarding the status of the Incentive Compensation Reserve made by the officers of the Company having responsibility for financial reporting and internal auditing procedures shall be subject to review and approval by the Committee after consultation, if deemed appropriate by the Committee, with the Independent Auditors.

Section 12—Code Section 162(m)

Except as hereinafter provided and notwithstanding any other provision of the Plan, this Section 12 applies to any award intended to qualify as performance-based for the purposes of Section 162(m) of the Code. In the case of any award to which this Section 12 applies, the Plan and such award will be construed to the maximum extent permitted by law in a manner consistent with qualifying the award for such exception. In the case of any award to which this Section 12 applies, the term "Committee" shall mean a committee of the Board, consisting of two or more Directors, all of whom shall be "outside directors" within the meaning of Section 162(m) of the Code. With respect to such awards, the Committee will preestablish, in writing, one or more specific Performance Criteria no later than 90 days after the commencement of the period of service to which the performance relates (or at such earlier time as is required to qualify the award as performance-based under Section 162(m) of the Code). The Performance Criteria so established shall serve as a condition to the grant, vesting or payment of the award, as determined by the Committee. Prior to grant, vesting or payment of the award, as the case may be, the Committee will certify whether the Performance Criteria have been attained and such determination will be final and conclusive. If the Performance Criteria with respect to the award are not attained, no other award will be provided in substitution of the award. The maximum benefit that may be paid to any person under any awards to which this Section 12 applies in any calendar year will be \$5,000,000. The provisions of this Section 12 shall not apply to any award to which the provisions of Treas. Regs. § 1.162-27(f) apply if made during the period to which such provisions apply, as determined by the Committee in its sole discretion.
