Explanation of Responses:

- These restricted shares are subject to restrictions that lapse in four equal annual installments beginning one year from the grant date.
- The performance-based restricted stock will be earned upon achieving share price hurdles for 20 consecutive trading days over a three-year performance period, starting on the award grant date and ending on the third anniversary of the award grant date. Share price hurdles were established using the closing price of stock on the grant date, using the following growth rates: 1/3 at 30% growth; 1/3 at 60% growth; 1/3 at 90% growth. The growth objectives may be achieved at any time over the three-year period, and the corresponding number of shares earned, but the shares will not vest until the end of the three-year period.
